JULY 29: Early bird registration deadline – register [HERE](#)

AUGUST 25: Accommodation reservation deadline – register [HERE](#)

SEPTEMBER 19 – 23: HBV Meeting

WELCOME FROM THE CO-CHAIRS

Dear Colleagues,

It is our pleasure to invite you to support the 2023 International HBV Meeting to be held on September 19-23, 2023, in Kobe, Japan.

This meeting promises to feature:

- Cutting-edge studies in hepatitis B and D viruses (HBV and HDV)
- Development of new technologies and analytical methods for understanding HBV and HDV infection
- Joint discussion on the latest therapeutic development with patients and clinicians
- Opportunities to network with the HBV/HDV community for all career stages
- A platform for trainees (graduate students and post-docs) to showcase their studies

With holding the meeting in a hybrid format, we encourage all of you to participate in the meeting on-site, but virtual participation is also an option.

The 2023 International HBV Meeting will deliver a stimulating experience with an up-to-date scientific program on HBV and HDV. The meeting will unite over 500 delegates, including researchers, clinicians, government agents, and the related sectors from across the globe, accelerating the researches for curing hepatitis B and D.

We hope you will join us at the 2023 International HBV Meeting.

Koichi Watashi

Ph.D.
Director, Division of Drug Development
Research Center for Drug and Vaccine
Development
National Institute of Infectious Diseases

Masamichi Muramatsu

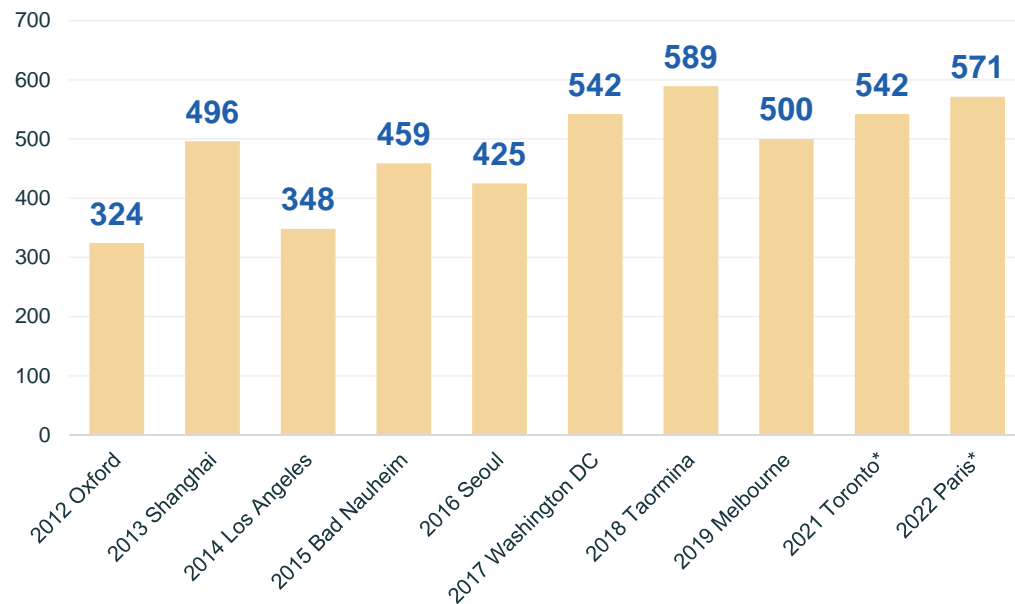

M.D., Ph.D.
Director,
Department of Virology II
National Institute of Infectious Diseases

THE INTERNATIONAL HBV MEETING

The International HBV Meeting aims to provide an essential forum for researchers to share their discoveries, questions and insights through an interactive environment. With a history dating back to 1985, it continues to be the definitive international scientific meeting focused exclusively on the hepatitis B (HBV) and hepatitis D (HDV) viruses. This annual scientific meeting continues to bring the global thought leaders in the field together with young and emerging scientists working on hepatitis B virus (HBV), hepatitis delta virus (HDV), and hepatocellular carcinoma (HCC). Many, if not most, of the major discoveries in HBV and HDV were first reported at this meeting and have directly impacted drug discovery and other research that has advanced the science and medicine of HBV and HDV.

Historic Attendance

*Hybrid Meeting.

Who Attends

Industry professionals, graduate students, post-doctoral scholars, and scientists interested in all aspects of the biology of hepatitis B viruses, including:

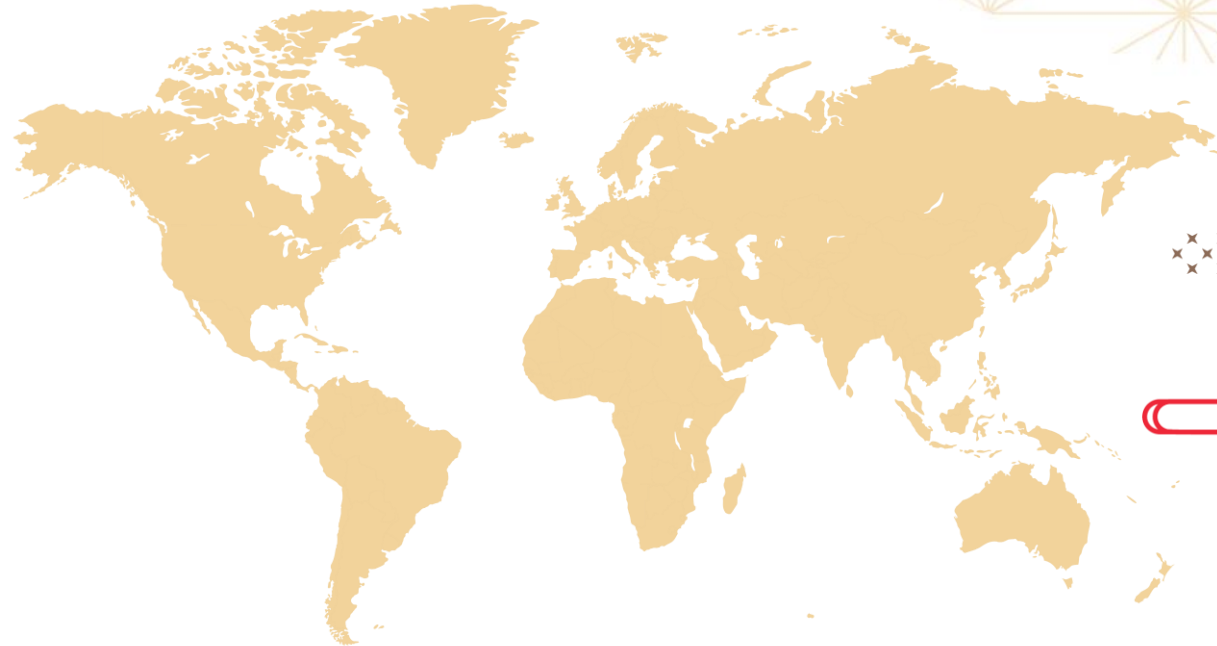

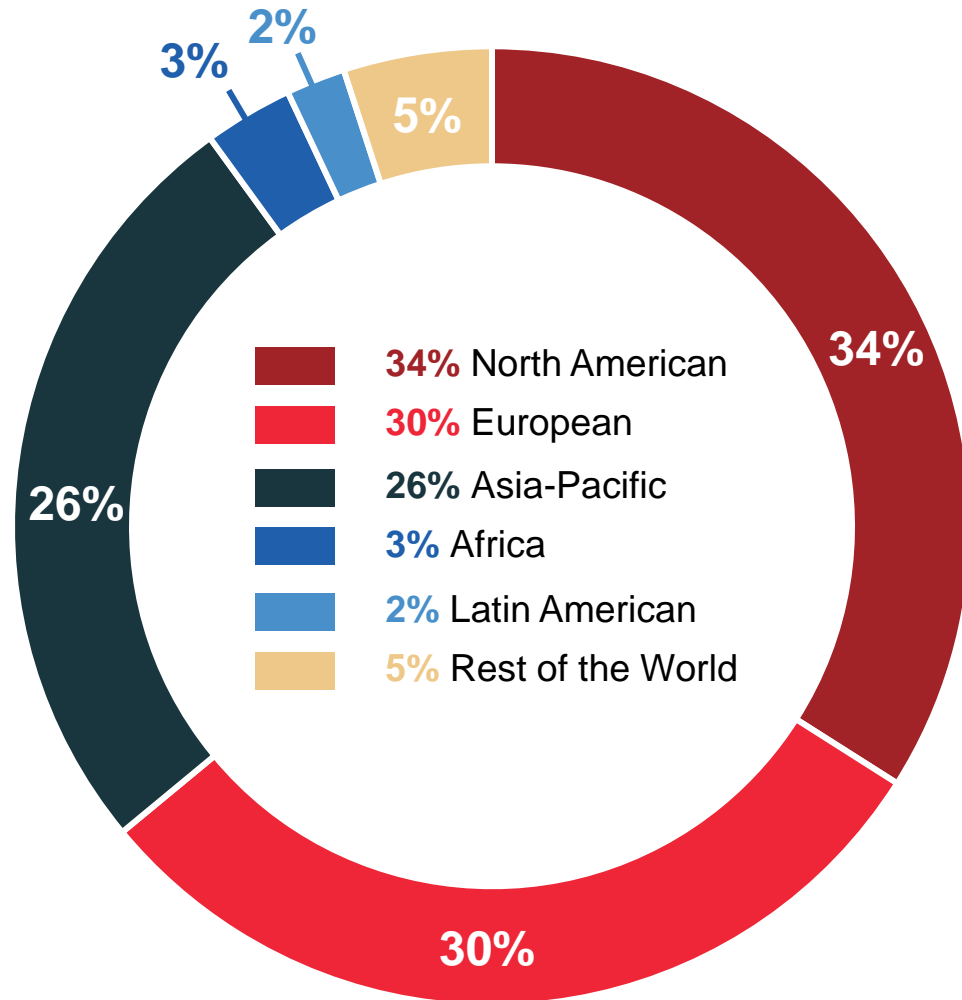

- Biochemistry
- Molecular biology
- Traditional virology
- Immunology
- Pathogenesis
- HBV-induced cancer
- Latest therapeutic advances against HBV and HDV

Session Topics

Preliminary program topics include:

- Preclinical targets and therapies for chronic hepatitis B
- HBV replication, gene expression and egress
- HBV integration, genotypes and HCC
- Viral entry, cccDNA biogenesis and homeostasis
- Viral host interactions
- Innate immunity to HBV infections
- Adaptive immunity to HBV infection
- Co-infection and pathogenesis

ANNUAL PARTICIPATION BY GEOGRAPHIC REGION

ABOUT KOBE JAPAN

- With a population around 1.5 million, Kobe is Japan's seventh-largest city and the third-largest port city after Tokyo and Yokohama.
- Known for its unique scenery, which brings the ocean, city and mountains together; the best vantage points are from one of several public parks around the bay area.
- Take in the unbroken views of the area's distinctive buildings, including Kobe Port Tower, the Kobe Maritime Museum and the local hotels, quite charming at night as well.
- **Your list of Kobe musts includes** A hot spring dip and traditional Japanese entertainment in Arima Onsen, washed down with the finest sake in the country in Nada and Kobe beef, which needs no introduction.

PLATINUM ACTIVATION

THE 2023 INTERNATIONAL HBV MEETING POSTER LOUNGE

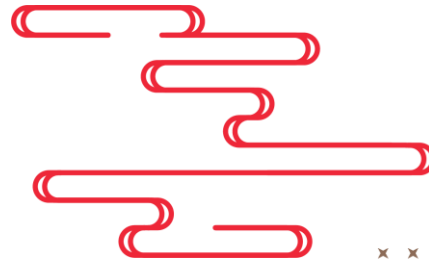

Always an engaging and important component of the International HBV Meeting, join us in creating a dynamic space to showcase the latest research in HBV and HDV.

Inclusive of:

- Activation space
- Poster boards
- Activation signage
- Promotion and recognition
- Logistics management

Subject to the approval of the Hepatitis B Foundation, the partner organization may also provide:

- Poster tours
- Feature poster presentations

PLATINUM ACTIVATION

THE 2023 INTERNATIONAL HBV MEETING LANYARD

INCREASE YOUR BRAND AWARENESS BY ADDING YOUR LOGO TO THE OFFICIAL MEETING LANYARD.

Inclusive of:

- Lanyard production and distribution
- Promotion and recognition
- Logistics management

Subject to the approval of the Hepatitis B Foundation, the partner organization may also provide:

- Enhanced delegate badge

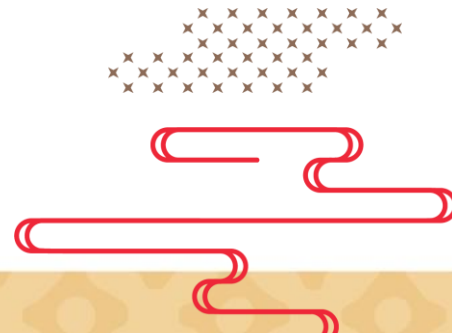

PLATINUM ACTIVATION

THE 2023 INTERNATIONAL HBV MEETING GALA DINNER

The most popular social gathering to be held at the International HBV Meeting

Gala Dinner is inclusive of:

- Venue
- Conceptual development
- Activation signage
- Promotion and recognition
- Food and beverage
- Logistics management

THE 2023 INTERNATIONAL HBV E- POSTER LOUNGE

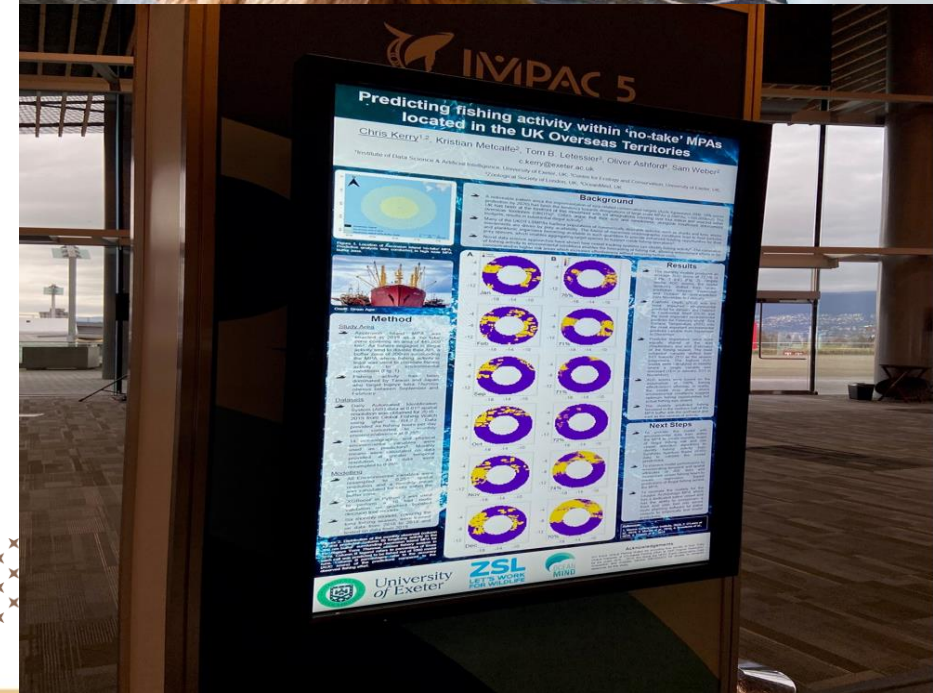

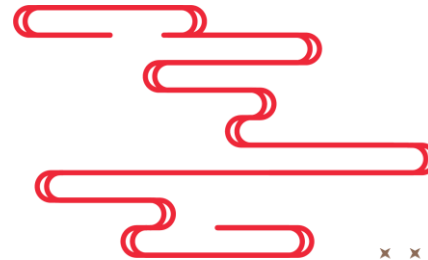

Located in the central foyer, the e-poster lounge features digital posters for on-demand viewing.

Inclusive of:

- E-poster screen
- Seating
- Activation signage
- Promotion and recognition
- Logistics management

Subject to the approval of the Hepatitis B Foundation, the partner organization may also provide:

- Feature poster presentations

GOLD ACTIVATION

THE 2023 INTERNATIONAL HBV MEETING TRAVEL GRANT PROGRAM

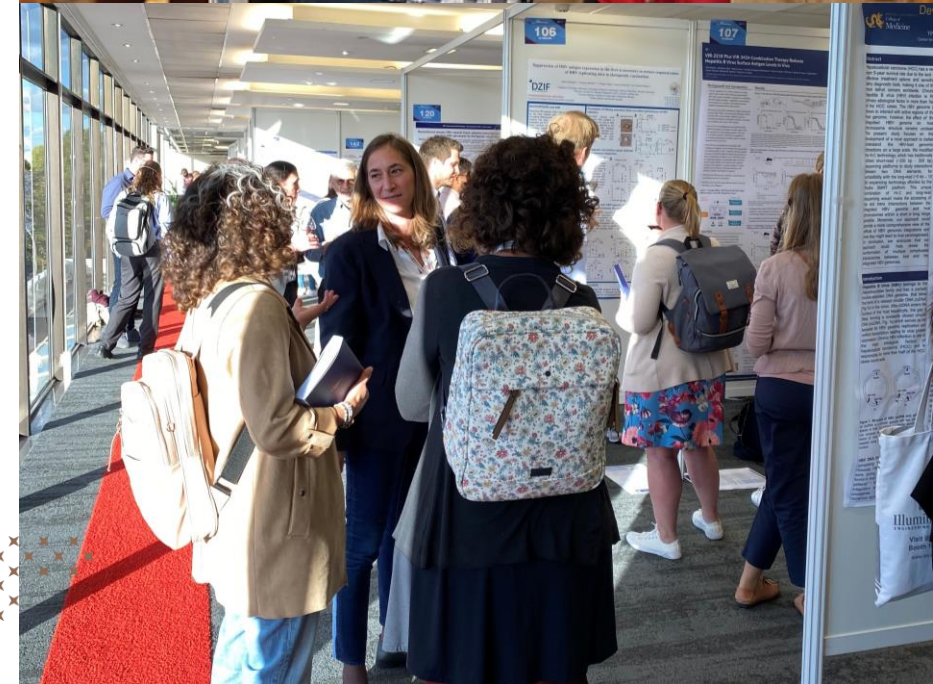

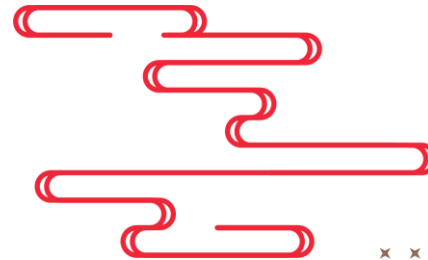

Join us in recognizing the outstanding works of early-career researchers. Recipients must actively participate in the 2023 International HBV Meeting through abstract submission and acceptance.

Inclusive of:

- Abstract program managed by the Hepatitis B Foundation
- Promotion and recognition
- Logistics management

Subject to the approval of the Hepatitis B Foundation, the partner organization may also:

- Host an awards reception
- Provide recipients with an additional gift

GOLD ACTIVATION

THE 2023 INTERNATIONAL HBV MEETING TECHNOLOGY

Support the delivery of the Mobile App and Wi-Fi.

Inclusive of:

- Technology platform
- Activation signage
- Promotion and recognition
- Logistics management

Subject to the approval of the Hepatitis B Foundation, the partner organization may also provide:

- Homepage log-in branding
- Unique wifi password
- Banner advertisements

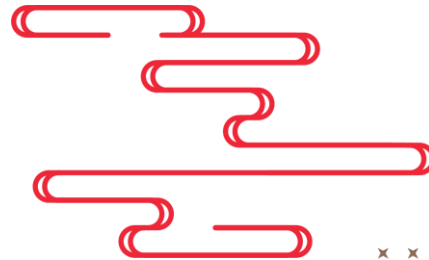

SILVER SPECIAL RECOGNITION

THE 2023 INTERNATIONAL HBV MEETING WELCOME RECEPTION

The opening event for the International HBV Meeting

Welcome reception is inclusive of:

- Venue
- Conceptual development
- Activation signage
- Promotion and recognition
- Food and beverage
- Logistics management

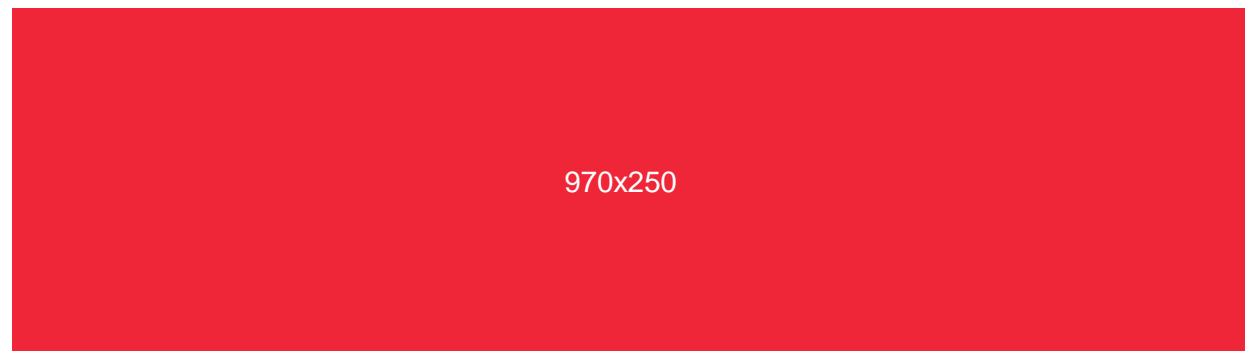

E-MAILER PLACEMENT ADVERTISING

Daily e-mailers showcasing your company to the International HBV Meeting and International HBV Foundation databases.
